Risk Assessment & Management

Pathfinders Camp, as a user of Woodlark Campsite (UK Charity No 306148) adhere to the Woodlarks Risk Assessment Process, and as such contents of the Woodlarks Risk Assessment policy will not be repeated here. A copy of the Woodlarks Risk Assessment Process is available on their website here:

<http://www.woodlarks.org.uk/woodlarks-policies/>

Pathfinders Camp carries out a Risk Assessment on an annual basis prior to camp taking place each year, the risk assessment includes taking into account any jobs undertaken on camp and any planned activities during camp, including, but not limited to:

Camp Leader	Transport	Kitchen
Quartermaster	Telstar	Hike Sites
Laundry	Activities	Campfire
Wood	Swimming	Camp Health Team
Helpers/Campers	Patrol Duties	Assistance Dogs

The risk assessment also takes into account any external parties coming to Woodlarks to facilitate an activity or off-site activities facilitated by external groups. The Risk Assessment policy should be referred to as part of arranging these activities.

The Risk Assessment is carried out by a number of the Pathfinders Leadership Team, including the Camp Leader, H&S Rep and Activities Team. The Risk Assessment document is signed off by the Camp Leader and H&S Rep and the Camp Leader shares the Risk Assessment with the members of crew in each 'job' each year to ensure awareness of inherent risks.
