

Pathfinders Camp (Woodlarks)

Registered Charity No: 1171466

ARRIVING

Pathfinders Camp will start on **SUNDAY 13th AUGUST**, with:

- **HELPERS** arriving by **10:00 am** at the latest
Please bring a packed lunch with you.
- **CAMPERS** arriving between **1:30 pm** and **3:30 pm**
*You **MUST NOT** arrive early (we won't be ready for you) and you **MUST** have eaten your lunch before you arrive.*

The gap between helpers arriving and campers arrive means we can:

- provide some focussed training for helpers
- helpers will be available for care plan handover when campers arrive.

On arrival please introduce yourself to the Camp Leader, Sam. She will be sitting at the "Information Table" with Jo, the Treasurer. They will provide you with some introductory details of the helper/camper you will be buddied with, give you a book with some information about the week, and tie in any loose ends to do with forms or camp fees. You will also get a name tag and patrol colour so you can easily find your new friends in your team.

All campers with medications will need to report to the camp healthcare team, to hand in their medications and make sure all our care plans are correct. You will find them in the healthcare room in Bradbury Croft.

LEAVING

To allow for additional cleaning between camps, Pathfinders Camp will finish on **FRIDAY 18th AUGUST**, with:

- **CAMPERS** leaving or being collected between **4:00 pm** and **5:00 pm**.
- **HELPERS** leaving or being collected between **5:00 pm** and **6:00 pm**.
