Friendship Fund

'Friendship Fund'

Aims

The aim of the 'Friendship Fund' is to assist individuals wanting to attend Pathfinders Camp who may be struggling financially.

The existence of the 'Friendship Fund' is disclosed to attendees on the website and in covering letters/emails when sending application forms and is available to all attendees irrespective of their role at camp, subject to the limitations laid out in this policy.

Limitations

The financial assistance given is subject to the following limitations:

1. The financial assistance is provided by waiving the requirement to pay all or part of the camp fee, and is not made in any other monetary terms. No additional financial assistance can be given beyond the camp fee (for example to assist with travel costs).
2. The maximum amount waived will be the whole of the camp fee.
3. Financial assistance from the 'Friendship Fund' is not normally provided for the same person 2 years in a row.

Process

When a request for 'Friendship Fund' assistance is made (using the form here: <https://pathfinderscamp.com/pay/> also see the screen-shot overleaf), the Trustees, as a group, will consider:

1. The benefits the individual would obtain from attending Pathfinders Camp;
2. The best interests of camp as a whole (by enabling attendance to an individual who would not, through financial constraints, otherwise be able to attend).

Once agreed, the Camp Leader will send an email confirming how much is being waived to the Treasurer to allow for this to be documented and accounted for in the annual accounts.

The annual accounts should not disclose who has benefitted from the 'Friendship Fund'. This should remain anonymous for the purposes of the published accounts.
